Ai Intermediate

Pr Upper Intermediate

Ae Advanced

SOFT SKILLS

- Creativity
- Compromise
- Diligence
- Positive Thinking

INTERESTS

In addition to doing these things i like to travel I like the cold weather very much. But you all know that my country is very hot. You know, papaya salad, grilled chicken. For anyone who has ever traveled, it's delicious, right? And there are many other things that are my hobby in my spare time. Oh, besides, I also like vape. Smoke, smoke, haha. xD
